

Hey Everyone!!

Great news! Skcratch came through and will be sending us hydration products for the race!! We will try to have it available for those who want it at each checkpoint.

Also, we will be getting our shirt order placed in the next few hours. If you need to update your shirt size, log in, go to the EVENT page and click the link as shown below.

Event Information

Please review the Frozen Otter Participant Guide: [Download it HERE](#)

Race Details:
The race will begin at the Mauthe Lake Picnic Area at 10:00am on January 15th. There will be a MANDATORY pre-race briefing 45 minutes prior to the start (9:15am). Check-in will take place between 7:30am and 9:15am and will include a full GEAR CHECK. Early Check-In will be available 4-8pm the evening before the race at the Mauthe Lake Shelter.

Racers will start near the lake, head to the trail, and head North. Checkpoints will be at Butler Lake, Greenbush, and Hwy P. The first out-and-back leg will total roughly 46 miles. Racers will then have the option to return to their car before continuing on, or they may leave a gear box at the Mauthe Lake trail crossing prior to the start and access it at this point. No other gear drops will be allowed. The second out-and-back leg will head South to the Hwy H trailhead and back to Mauthe for the finish.

All racers MUST be back to Mauthe Lake by the 24-hour cutoff on Sunday or face disqualification. Trail maps and mileage breakdowns will be provided to all participants. Participants must travel under unassisted foot power only. No snowshoes will be allowed. Post-race medical services and first aid assistance will be offered.

You are already registered for this event. Click [HERE](#) to edit your registration details.
